Subject: LETTER OF INFORMATION & REQUEST FOR PERMIT

Ma'am:

This pertains to the **PROPOSED LAYING OF FEEDERLINE FROM LUYAHAN PRODUCTION WELL TO BYPASS ROAD AND RELOCATION OF EXISTING CLUSTER CONNECTION PROJECT**, this city, to be undertaken by administration.

In view of this, we would like to inform you regarding the commencement of the abovementioned project which was already previously communicated with your office last March 6, 2019. As a response to this, your good office had informed us thru the attached letter dated April 29, 2019 interposing no objection to the installation of the proposed feederline.

Relative to the foregoing, the undersigned would like to request from your good office the approval of concrete cutting & breaking and excavation works for us to be able to lay 200.00 ln.m. of 75mmØ PVC Pipeline and 23.60 ln.m. of 200mmØ PVC Pipeline which has an excavation width of 0.390 m and 1.00 m. respectively. To wit:

	Qty.	WIDTH	LENGTH	AREA (L x W)
Pipeline Excavation (75mmØ Pipeline)	---	0.390m	176.4 m.	68.796 m ²
Pipeline Excavation (200mmØ Pipeline & 75mmØ Pipeline)	---	1.00m	23.6 m	23.6 m ²
TOTAL				92.396 m²
Concrete Cutting & Breaking (Double cutting)	---	1.00m	23.6 m.	23.6 m ²
