

Section VI. Schedule of Requirements

The delivery schedule expressed as weeks/months stipulates hereafter a delivery date which is the date of delivery to the project site.

Item Number	Description	Quantity	Total	Delivered, Weeks/Months
1	Aluminum Sulfate – 17%	1,659 bags		
	Approximate Size: 20mm at 50kgs/bag			
	NOTE:			
	Bidder must submit 1 kl sample between the period of Opening of Bids until Post-Qualification.			
	In support of the technical specifications, the Certificate of Analysis from PIPAC or DOST-ITDI, or any accredited laboratory must have been conducted at least eight (8) months prior to bid opening.			
	The winning bidder can follow the original delivery schedules as stated in the Schedule of Requirements. However, the winning bidder shall have the option to deliver a minimum of 1000 bags and a maximum of 1,659 bags of Aluminum Sulfate per delivery.			
	Bidders are still required to deliver the minimum number of bags per delivery. Excess number of bags delivered shall not be deducted from the minimum bags required for the succeeding deliveries except when the remaining number of bags for the next delivery is less than the outstanding number of bags to be delivered due to previous excess deliveries.			
	The winning bidder has an option to make a one time delivery of 1,659 bags.			
	Delivery Period:			

	1st delivery: 800 bags – 40 days upon receipt of NTP			
	2nd delivery: 859 bags – 80 days upon receipt of NTP			
	Point of Delivery: ZCWD Water Treatment Plant, Pasonanca, Z.C.			

Technical Specifications

Item	Specification	Statement of Compliance
		<p><i>[Bidders must state here either “Comply” or “Not Comply” against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of “Comply” or “Not Comply” must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer’s un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder's statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the applicable laws and issuances.]</i></p>
