Important Notes:

It is the responsibility of the bidder to take steps to carefully examine all of the Bidding Documents. The Procuring Entity shall not assume any responsibility regarding erroneous interpretations or conclusions by the prospective or eligible bidder out of the data furnished by the Procuring Entity.

A prospective eligible bidder must be responsible for having: 1. Taken steps to carefully examine all of the bidding documents; 2. Acknowledged all conditions, local or otherwise, affecting the implementation of the contract; 3. Made an estimate of the facilities available and needed for the contract to be bid, if any; and 4. Complied with his responsibility that it shall be the responsibility of all those who have properly secured the bidding documents to inquire and secure supplemental/bid bulletins that may be issued by the BAC (Government Procurement Manual Volume 3).

Failure to observe any of the above responsibilities shall be at the risk of the prospective bidder concerned. The Procuring Entity shall not be responsible for any erroneous interpretation or conclusions by the prospective or eligible bidders of the data it furnished (Government Procurement Manual Volume 3).
