SUPPLEMENTAL/BID BULLETIN
ADDENDUM NO. 01 – 23-0204
Series of 2024

Following the query raised during the Pre-Bid Conference on September 19, 2024, the BAC is issuing this Supplemental Bid Bulletin to address the requests for an extension of the deadline for bid submission for the procurement of the Proposed Design, Build, Testing & Commissioning of 4,000 CMD Sewage & Septage Treatment Plant under Purchase Requisition No. 23-0204.

- In compliance with the directive of the Board of Directors (BOD), the Bids and Awards Committee (BAC) hereby announces that no further requests for time extensions regarding the deadline for the submission and opening of bids will be entertained. This decision is based on the pressing need to expedite procurement due to the following reasons:
 1. Accumulation of penalties for violation of the Clean Water Act of 2004
 2. Expiry of the Environment Compliance Certificate (ECC) on November 9, 2025

In light of this, the BAC firmly upholds the deadline for the submission and opening of bids on October 1, 2024, at 2 pm in the Board Room, Pilar St., Zamboanga City. Your prompt attention to this matter is greatly appreciated.

This shall form an integral part of the Bid Documents.

For guidance and information of all concerned.

ATTY. VINCENT F. FERNANDEZ
