

TERMS OF REFERENCE

Security Services for Tumaga River (Main Source of Water of ZC) and ZCWD Facilities/ Structures Situated Inside the PaNP Watershed (2024- Revised 1)

Procurement of general support services, including non-personal or contractual services, such as security and janitorial services, falls under the definition of goods per Section 5 (h) of R.A. 9184 and reiterated in Section 5 (r) of its Implementing Rules and Regulations (IRR).

For purposes of bidding in the procurement of **Security Services for Environment and Water Resources Department** of ZCWD, the winning bid shall be determined by the lowest calculated and responsive bid. For efficient procurement of ZCWD's requirements for security services, the Bids and Awards Committee (BAC) pursuant to **Guidelines on the Procurement of Security and Janitorial Services**, shall also take into consideration, aside from cost, other factors in determining the winning bid, such as, but not limited to, **contracts with other clients, standards of internal governance, adequacy of resources, levels of training, and adherence to labor and other social legislation.**¹

The minimum requirements prescribed in this Terms of Reference shall be used as basis in evaluating the technical proposal of the bidder. Compliance of the bidder to the said minimum requirements shall be determined using a "pass-fail system", provided, however, that the BAC may require additional documents or materials as part of the bidder's technical proposal to substantiate the bidder's compliance to the set of parameters enumerated.

The procurement of security services will be for a period of **seven (7) months**. The Approved Budget for the Contract (ABC) is **Six Million Two Hundred Eighty Six Thousand Five Hundred Sixty Seven Pesos and 37/100 (6,286,567.37)**.

The Financial Proposal shall contain a breakdown of all costs, including cost of supplies and equipment, necessary for the execution of the contract.

The winning bidder is expected by ZCWD to maintain a satisfactory level of performance throughout the term of the contract based on the performance criteria which shall include, among others

- (i) quality of service delivered;²
- (ii) time management;³
- (iii) management and suitability of personnel;⁴
- (iv) contract administration and management; and

¹ paragraph 2 Policy Statement of Guidelines on the Procurement of Security and Janitorial Services

²⁻⁵ paragraph 5.4 Guidelines on the Procurement of Security and Janitorial Services

- (v) provision of regular progress reports on the status of Pasonanca Natural Park (PaNP) in terms of security in accordance with the security plan. ⁵

Based on the assessment, ZCWD may pre-terminate the contract for failure of the service provider to perform its obligations thereon following the procedure prescribed under the Guidelines on Termination of Contracts issued by the Government Procurement Policy Board under Resolution No. 018-2004.

SECURITY SERVICES

I. SCOPE OF SERVICES/REQUIREMENTS

a. Security Agency

- i. The Security Agency must be duly licensed, registered, and a member of PADPAO with proper operating permits and other statutory requirements. It must have been engaged in the business for at least **five (5) years**.
- ii. The proof of paid remittances for the following government agencies: SSS, PHILHEALTH and PAGIBIG will be in the form of a certification issued by the said agencies. Same shall be submitted during post-qualification.

The Security Agency will provide **Forty Five (45) security guards** inclusive of 2 head guards for east and west area who will render duty at different Bio Monitoring Station situated at Pasonanca Natural Park (PaNP). Likewise reliever guards will be provided whenever Security Guards is off-duty or cannot render duty.
- iv. The Security Agency will provide consistent and quality service through qualified, licensed, bonded, uniformed, trained and armed security guards.
- v. Security guards shall watch and protect Tumaga River and its tributaries situated inside PaNP including properties within the area. They shall enforce environmental law to ensure that there will no illegal activities such as but not limited to logging, mining, panning, poaching of minor forest products and trespassing.
- vi. The Security Agency shall secure the PaNP premises through monitoring all persons or vehicles, and things/materials brought in and out of ZCWD premises including the conduct of reasonable check on persons and properties as normally done in public or private establishments and places for purposes of ensuring safety and security against unauthorized persons, vehicles, and/or things or materials.
- vii. The Security Agency shall station security guards at designated strategic points within the PaNP, as well as roving guards to ensure

that no trespassing or other illegal activities are conducted within the PaNP. Posting shall be in accordance with the ZCWD schedule of posting of guards.

- viii. The Security Agency shall likewise ensure that its security personnel shall conduct regular foot patrol within its area of jurisdiction to ensure that the area is free from threats/activities that will affect the quality of water and will disturb biodiversity/ecosystem within the watershed.
- ix. The Security Agency shall immediately make the necessary reports of any incident to ZCWD management and/or to other concerned authorities for purposes of police and other official investigations.
- x. The security guards assigned shall be provided with proper agency uniforms and visible identification badges.
- xi. The security guards shall be equipped with original, branded, well-conditioned and duly licensed firearms and ammunitions necessary in the course of their security enforcement and protection and maintenance of peace and order within the PaNP and its immediate vicinity.
- xii. The Security Agency shall provide the communication and documentation equipment enumerated in this Terms of Reference such radios, smartphones and drones that will be used for recording/ documentations purposes. Smartphones must be compatible with geotagged and GIS applications. (Min. 4gb RAM and 32GB ROM)
- xiii. The Security Agency shall be required to submit the following documents during the post-qualification-
 1. Private Security Agency regular license to operate
 2. Certificate of Registration from DOLE
- xiv. The Security Agency shall submit latest Drug Test of its Security Guards (at least one month old or recent) including its neuro/psychiatric result, NBI clearance and Bio Data two weeks before its deployment.
- xv. The Security Agency shall initiate mandatory in -service training among its security personnel within six months from its

assumption and shall ensure that the cost of training shall be reasonable. The training shall include training/lectures about environmental laws, its importance and its enforcement.

- xvi. The Security Agency shall conduct test firing of its firearms during the implementation of the contract. Test firing will be conducted within **the first three (3) months** after the implementation of the contract. The cost of firing will be borne by the Security Agency and shall not be charged to its security personnel;

B. Security Personnel

1) The assigned security guards must have previous experience of at least 2-years and with adequate knowledge in communicating either in English, Filipino or local dialect. He/she must be reliable, honest, and courteous.

2) The security guards must undergo and pass the required psycho-neuro examination and drug test conducted by a reputable Philippine National Police (PNP)/National Bureau of Investigation (NBI) accredited testing agency.

3) Security guards must be prepared to undertake additional duties assigned by ZCWD management other than the tasks related to security, safety, monitoring, and protection of PaNP including its visitors and officials. This includes EWRD's functions and responsibilities such as but not limited to maintaining Bio Monitoring Stations, performing minor repairs, and other activities to enhance their area of responsibility.

4.) Qualified applicants from the buffer zone of Pasonanca Natural Park (PaNP) must be given priority in hiring security personnel for PaNP due to their familiarity with the area.
